Introduction to Debt Collection

Debt collection is time consuming and challenging aspects of running a business. Recovering unpaid dues from customers is costly and time consuming task.

We Believe

We take pleasure in introducing our specialized follow up and collection team which is specially created and designed to serve our clients to help in recovering dues of all types of debts through a highly qualified, experienced and motivated staff.

We believe of the return benefit of direct contact, communication, professional negotiation and consistency as the primary tools and vital to a successful recovery in a shortest possible time.

Security and Confidentiality

In Amanaat we provide a high standard of care and integrity protecting the confidential information to prevent any disclosure. Following a code of ethics and high standard of quality while handling your accounts. We guarantee you ethical and professional services. However, and to ensures the security and confidentiality we implemented the following:

- Exclusive Offices
- Full Time Dedicated Staff
- EPABX – Telephone Systems
- Cash Management Systems
- Security Infrastructure

Our Goal

To provide prudent and consistent assistance to our clients to recover “Debts” as quickly as possible and minimize client losses professionally and ethically. However, Collection the debt in full is always our primary goal. Furthermore, we will make sure that we save the image of our valued clients and ensure the continuation of your business with your customers.

Where Do We Come In?

With our capabilities, experience and resources we free you from the task of chasing what is yours. We allow you to focus on your core competencies of running your business, while we ensure availability of liquidity in support of your goals. We help reduce your dependency on high cost borrowing by timely and cost effective collections and recovery solutions.

Our Services

We offer a total collection and recovery solution which includes:

1. Soft Bucket Collections
2. Hard Bucket Collections
3. Legal Services
4. Local & Skip Tracing
5. Cross Border Collections

Legal Services

Our aim is to recover without resorting to litigation, we prefer to recover through direct contact and recommend filing legal action only when we exhaust our full collection efforts. At Amanaat we are able to give you the best of both worlds: the professional service of debt collection and litigation expertise of a legal services. We are also able to provide a highly customized service, tailoring the actions suit on our clients' business.

Fees Structure

We have the flexibility in dealing with our valued clients depend on their nature of business and type of customers they had. So, we can charge you based on size of the debt and age of the debt. Our rates are the best in market comparing to what we offer you.

No Collection, No fee Basis

No Hidden Charges

No pre-payments

We promise to provide highest recovery rate through amicable solutions with comparatively low costs.

Generate Reporting

We believe that communication is the key to a successful client/collection unit relationship.

- Our Clients are kept informed and updated about the status of their cases at all the time.
- Respond to any inquiry within 24 hours
- Monthly written status reports "or upon request" for each case
- Consistent & regular communications

We are confidence

Our operational experience with knowledge and strong infrastructure are the fuel which makes our company more confident and positive in dealing with clients and different situations. We promise that we will save our clients image and ensure the business continuity while you are focusing at your core business.

Time is money, that's why we save your time and get back your money

Looking forward to fruitful cooperation
